

WESTERNPACIFIC
INSURANCE

Homebuilder & Remodel Contractor Program

Western Pacific Insurance Network, Inc. continues to offer carrier options for a wide variety of contractors and construction professionals, but leads the way with its Homebuilder & Remodeler Program. As a specialty wholesale broker serving Independent Agents, our construction focus enables us to partner with contractor markets that deliver unparalleled policy forms, competitive premiums, and consistent dedication to the contractor marketplace.

Program Highlights

- Only AM Best “A” Rated Markets
- General Contractor minimum premiums as low as \$1,250
- ADMITTED options available in CO and UT
- New and remodel construction accepted including custom, tract, and multi-family home construction
- Commercial GC’s and Remodel Contractors also accepted
- WRAP products, Pollution Liability, Builder’s Risk, Inland Marine, Property, and Umbrella policies available

Coverage Details

- Subsidence and Earth Movement coverage available
- No CG 2294 or “Subcontractor Work” Exclusions
- Blanket Additional Insured for Ongoing and Completed Operations, including Primary Wording and Waiver of Subrogation available
- Per Project Aggregate Limits available
- Higher primary limits often available
